

# Qabalah

## *Be the Living Tree*

*With*  
*Rev. Katherine Torres, Ph.D., D.D.*

Unravel the ancient mysteries of life through this study. Qabalah offers a coherent view of the Nature of All Existence. It clarifies the multi-aspects of Divine Purpose as well as sets the tone for allowing the individual to understand the complexity of personal evolution.

This is a heart-centered spiritual study of Qabalah. It will help you discover higher levels of awareness. It offers a connection with the Divine, Angels and Archangels and reveals the matrix of Oneness.

The study of Qabalah assists you in creating a union with Spirit, Mind and Body. It assists in creating a true relationship with the Divine that supports your ability to make whole any fragmentation and sense of separation. This awesome Quest is a special journey. We will use meditations, application and study of the wisdom through intensive weekend studies every quarter for one full year. Your dedication, self-discipline, patience and desire to know is expected and will serve your constant evolution of awareness.
