

Weaving the Light of Love

Would you like to participate in an experiment of Love?

It has been suggested to me by Malachi and WomanSpirit to create a blessing by using the Weave of the Light of Love with several people dedicated to work once a week for 20 minutes. ***I need 10 or more people to commit to this.*** My suggestion is that we connect each Sunday at 6:00 pm Pacific Time, 7:00 pm MT, 8:00 pm CT, 9:00 pm ET, and Hawaii time will vary 2 hours behind Pacific Time and 3 hours behind Pacific Time, in the Daylight timing, so right now it will be 4:00 pm.

I will create a meditation CD called Weaving the Light of Love and send it to all participants. It will not be longer than 20 minutes of meditation time. If you join in on this program, instructions will come with the CD and the date to start the program will be noted.

We all are aware that if 10 people gather and harmonize in the same intent and radiate that intent, then through the collective consciousness 100 people will be effected. When 100 people are effected an entire species is effected (remember the 100th Monkey theory?).

Our intent will be to spread love throughout the world. Unconditional love energy that has no plan to how it is to effect the world other than with love. In the energy of love we know peace and harmony reigns. From peace and harmony other Divine principles come into play. However, these principles need not be identified during this meditation process....only unconditional love flowing.

If you feel so inclined to join in on this event, please email me.

This is a commitment. We will need 10 or more people ***Dedicated, Disciplined, Determined and Devoted*** to doing this. We will do this for a 3 month cycle of each Sunday.
